Informing Northern Ireland's decision-makers

agendaNi is Northern Ireland's leading business and public policy magazine which reaches over 7,000 decision-makers and influencers in government, business and the voluntary and community sector.

agendaNi's in-house journalists research and produce comprehensive and informative articles on public policy, interviews with influential figures, and analysis of key business developments and sectors covering all aspects of business and politics. Each edition provides an excellent platform to profile your company to a captive, unique decision-making audience of public and private sector professionals.

Special in-depth features are scheduled during the year and include topics such as:

- business and finance
- health
- education
- agriculture
- energy
- infrastructure
- exports
- the economy
- technology
- environment & sustainability
- housing
- construction
- public affairs
- local government
- transport
- criminal justice
- learning and skills

Pinsent Masons
The way ahead in energy

Richard Murphy analyses the European and all-island policy proposals that will affect the future of local energy markets.

Missing demand
The 2012 Commission proposal for a new energy market design... The proposal is a significant step towards a more integrated and efficient energy market... It is expected that the new market design will be implemented in 2014...

Right
The energy market design... The Commission proposal is a significant step towards a more integrated and efficient energy market... It is expected that the new market design will be implemented in 2014...

Richard Murphy leads the PwC Energy and Climate Team. He has a track record in the renewable energy sector, advising a range of high profile clients on the regulatory and commercial aspects of the sector. He is a frequent speaker at industry events and has written extensively on energy policy. He is also a member of the Energy and Climate Change Committee.

Readership

Each edition of agendaNi reaches over 7,000 decision-makers in the public, private and voluntary sectors including:

- Government ministers, MPs, MLAs, permanent secretaries, government departments, agencies and advisors
- Senior managers/directors in all sectors including health, education and justice
- Private sector CEOs and managing directors
- Leaders in business and industry
- Voluntary and community sector management

LIFE IS BETTER LIVED TOGETHER
